4. Click the **floppy disk** to save every page and create Team Member code

The most common Team Member Code is the last 4 digits of the SSN, but it can be any 4 numbers

5. Add accurate personal information

Check the 'Send Schedule Emails' box.

The image shows the 'Team Members' window with the 'Contact Info' tab selected. The window has a toolbar at the top with navigation buttons and a 'Hire' button. Below the toolbar are several tabs: 'Leave Of Absence', 'Team Member Summary', 'Password', 'System Access', 'Borrow/Transfer', 'Termination', 'HR Only', 'Actions and Events', 'Team Member List', 'Personal Info', 'Contact Info', 'Hiring Info', and 'License Info'. The 'Contact Info' tab is active, showing fields for 'Country' (USA), 'Address Line 1', 'Address Line 2', 'City', 'Region' (TX), 'Postal Code', 'Phone', 'Mobile', 'Pager', 'Email Address', and 'Send Schedule Emails'. The 'Send Schedule Emails' checkbox is checked, and a red arrow points to it. The 'Phone' field is highlighted with a red box, and the 'Email Address' field is highlighted with a red box.

5. Add position details

Always required: Position Applied For, Hire Date, DOB, User ID, Password, I9 on file

Sometimes required: Security Card Number, Payroll Number (You can hit the space bar or type “X”)

Hire

7. Add pay rate

Leave the default pay rate, unless instructed by your GM/DO otherwise. This section does not impact payroll, but it does impact Labor Manager.

The screenshot shows the 'Domino's Pulse Management' window. On the left, there is a 'Positions' table with columns: Position, Pay Rate, Mileage Rate 1, and Mileage Rate 2. The table is currently empty. A red box highlights the 'Add' button (represented by a plus icon) in the toolbar above the table. On the right, a dialog box is displayed with the message: 'A position must be added for this Team Member to complete the hiring process!!!'. The dialog box has an 'OK' button at the bottom right.

The screenshot shows the 'Team Member Positions' window. It has two main tabs: 'Current Position' and 'Pending / New'. The 'Pending / New' tab is selected, showing a 'New Hire' dropdown menu. A red box highlights this dropdown menu, which lists various positions: CSR, Marketing, ODD, Delivery Expert, General Manager, Asst Manager, Shift Manager, and Senior Asst. Below the dropdown, there are fields for 'Pay Rate' (set to \$0.00), 'Rate Effective Date' (7/27/2026), 'Mileage Rate 1', and 'Mileage Rate 2'. At the bottom, there are comparison tables for 'Current Position' and 'Pending / New' for 'Min & Max Pay Rate', 'Max Increment Amount', 'Increment Days', 'Min Age', and 'License Required'.

7. Add driver info (Driver & Biker)

Use accurate dates! For Company Car & Bike positions, check “Uses Company Car”. ((NA can be entered in non-applicable fields for Bikers.))

The screenshot shows the 'Team Members' window with the 'License Info' tab selected. It contains several sections for driver information. The 'Drivers Licenses' section has a table with columns: Country, State, License Number, and Expiration Date. Below this, there are fields for 'Last MVR Date' (with a date picker), 'MVR Pass' (checkbox), 'MVR Status' (dropdown), 'Submit MVR' button, 'MVR Override' button, and 'Other Expiration Dates'. The 'Uses company vehicle' section has a checkbox and fields for 'Inspection Due Date' (date picker), 'Car Inspected' (checkbox), 'License Plate Number', 'Registration Number', 'Expiration Date' (date picker), 'Auto Insurance Company', 'Insurance Policy Number', and 'Policy Expiration Date' (date picker). There are also fields for 'Food Handler License' and 'Food Handler Expiration' (date picker). On the right, there are buttons for 'Dispatch Lockout' and 'Unlocked', and a text area for 'Dispatch Lockout Comments'. At the bottom right, there is a 'Do Not Use' checkbox.
